This is done from our Beauty Salon in Lonehill, The girls feel spoilt and pampered, we soak and scrub their feet, we file, buff and paint toe nails and finger nails and they have the option if they want glitter, the girls will then have a bit of a break where they can join the moms and have their Bubbly Kids Champagne in kids plastic champagne glasses. (Supplied by us) Tea and Coffee Facilities also available for the Moms. We also supply plate and disposable cutlery if you do not wish to bring your own.

They then come back to the salon, sit down and have a practical lesson with us, where we also teach them to look after their skin with.

We cleanse, mask (they mask each other) – really great KODAK moment and moisturise and each girl will receive a free beauty hamper (party pack). We teach them why it is important to keep their skin clean and to apply Sun Protection.
